/admin/crm/mentorship	**1:1 Mentorship & Retros** Book mentor office hours with Google Meet integration, upvote 4-column retro board	OPTION D
/admin/crm/academy	**Technical Academy (LMS)** Browse curriculum modules (Next.js 15, PostgreSQL, AI Agents) with syllabus checklists	OPTION D
/admin/crm/integrations	**Webhooks & Audit Logs** Configure Discord/Slack webhook endpoints, trigger live test ping, review audit logs	OPTION D

5. Public Candidate & Verification Routes (With Sample Tokens)

Candidate Application Portal • Pattern: /apply

Direct Test URL: `http://localhost:3000/apply`

Public application form with resume file upload, program dropdown, and automatic ATS pipeline insertion.

Interactive Cryptographic Offer Letter • Pattern: /offer/[id]

Direct Test URL: `http://localhost:3000/offer/00000000-0000-0000-0000-000000000001`

Live candidate offer for Aarav Sharma featuring digital signature pad, stipend terms, and acceptance confirmation.

Accreditation & Certificate Verification • Pattern: /verify/[id]

Direct Test URL: `http://localhost:3000/verify/DS-2026-CERT-001`

Public verification engine showing Aarav Sharma's validated certificate, issuance timestamp, and grade badge.

6. Intern Workspace Guide (/portal) — 9 Interactive Tabs

Main Intern Portal URL: http://localhost:3000/portal (Switch accounts via top-right dropdown)

Tab 1	**Sprint Tasks (Kanban)**	View assigned deliverables categorized by Todo, In Progress, Review, and Done with priority badges.
Tab 2	**Daily Standups**	Submit daily check-ins with what was shipped yesterday, today's sprint focus, and toggle blocker alerts.
Tab 3	**PR & Peer Code Reviews**	Submit GitHub PR links for review and inspect mentor rubric scores across 4 engineering dimensions.
Tab 4	**Tech Academy & Roadmaps**	Browse curriculum modules (Next.js 15, PostgreSQL, AI Agents), track progress, and toggle syllabus items.
Tab 5	**1:1 Mentorship Booking**	Schedule office hours with senior mentors (Google Meet links) and review scheduled sessions.
Tab 6	**Skill Matrix & PPO Radar**	Visual progress across 6 engineering pillars and real-time Pre-Placement Offer eligibility indicator.
Tab 7	**Leaves & Attendance**	Submit sick/casual time-off requests and monitor live available balances (12 total allocated).
Tab 8	**Stipends & Payslips**	Inspect monthly base stipend breakdown and download official PDF compensation vouchers.
Tab 9	**Accreditation & Certificate**	View official certificate of completion with direct link to the public verification engine.

7. Quick Start Testing Instructions

Step 1: Start Next.js App

Run `npm run dev` in the terminal to launch http://localhost:3000.

Step 2: Sign In as Admin

Use `admin@dssoftwares.com` with password `AdminPass2026!` for complete administrative access.

Step 3: Test Intern Portal

Navigate to http://localhost:3000/portal. Use the top-right persona selector to switch to Aarav Sharma, Priya Patel, or Rohan Verma.

Step 4: Test Interactive Flows

Award XP at `/admin/crm/leaderboard`, submit code review at `/admin/crm/reviews`, and book office hours at `/portal` tab 5.

TESTING AUTH AUDITOR	SECURITY STATUS	LOGIN VERIFICATION
Antigravity AI (DeepMind)	**PostgreSQL 17 + RLS Active**	**100% VERIFIED & ACTIVE**
